PRESENTS: INTERNATIONAL YOUTH & MASTER CAMP
FROM 22ND OCTOBER TO 5TH NOVEMBER 2017

DESCRIPTION

We invite you to the Youth & Master Camp at the modern training center Tenerife Top Training with the Swedish Olympia coach and world champion, Glen Christiansen. All participants (no matter being teenagers or adults), are trained by Glen Christiansen together with several skilled coaches, to ensure every swimmer gets assistance, advice and personal feedback. During this camp the main focus lies on the technique of the different swimming strokes, endurance, speed, starts, and turns. Furthermore every swimmer will have the possibility to experience a session in the flume channel for a technique analysis. Besides the professional work and training, fun will not be missed out and a very special atmosphere is created by having swimmers of all ages, single swimmers, and families.
